Learn more about the right tools, techniques and timing for pruning trees and shrubs. Landscape professionals and home gardeners are welcome. Topics covered will include:

- Avoiding hackin’ and hewin’ back on crape myrtle
- Sorting through timing on various hydrangeas
- Why pruning young shade trees is critical

Bring your pruners! Hands-on in the Arboretum weather-permitting.

Thursday, February 16th OR March 8th @ 1:30 pm
NHC Cooperative Extension Center Auditorium
6206 Oleander Drive ~ Wilmington, NC 28403

If you have any questions, please contact Al Hight, NHC County Extension Director @ 910.798.7666 or al_hight@ncsu.edu

No charge for the workshop, but please call Marge @ 910.798.7660 to register.
