

## NEW HANOVER COUNTY CENTER

### COOPERATIVE EXTENSION & ARBORETUM NEWS

*Third Quarter 2020*

## Therapeutic Horticulture - Ability Garden

### Ability Garden Lives its Mission

With the COVID-19 restrictions still in place and increased tensions across the nation due to the death of George Floyd, the Ability Garden stands by our mission, "to empower the underserved through gardening, education, inclusion and community engagement."

## Horticulture & Master Gardeners

NC STATE

Extension Master Gardener

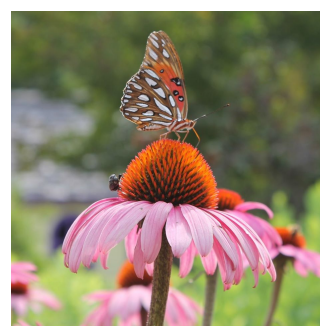

### FROM THE DIRECTOR

#### Interesting Times!

These are interesting times. As with most organizations during this pandemic, it has been a challenge to adapt what we do and how we do it.

## "Friends" of the Arboretum

### A Note from the Friend's President

As the world turns (ha ha), the New Hanover County Arboretum continues to stay open to the community to enjoy the beautiful landscapes on site. So many of us are grateful for the ability to come, relax and enjoy nature.

## HAVE A QUESTION? ASK AN EXPERT!

While our Plant Clinic is closed for the safety of our clients, you can still get your questions answered! Our field faculty and specialists have expertise in agriculture, food, forestry, community and environmental issues, youth development, family and consumer sciences, and gardening. Questions are answered via email.
